

HELP US HELP OTHERS

Warming Families: GTA Chapter

We're looking for volunteers who knit, crochet or sew who wish to give back to the community. Items can include: blankets, slippers, hats, headbands, scarves, mittens and gloves. We even accept 8" crocheted squares that can be converted into blankets. Or if you are not a crafter we will accept brand new items. The collected items are donated to Interim Place II, Wilkinson Road Shelter, Salvation Army Family Life Resource Centre or other such organizations/shelters.
